

Pensans Post

Summer term 06/07/2018

Dear Parents and Carers,

The end of term is fast approaching; please check the website and your child's book bag for any dates and times of events. We have had some wonderful highlights this year including; sporting events, project outcomes, charity fundraising, community projects, a successful OFSTED inspection and the development of provision for two year olds.

Thank you for your support - you have the biggest impact on your child's achievement.

Supporting them with their learning, having a positive attitude to school and recognising the importance of education are key to their future success.

I look forward to seeing you at our end of term events.

Have a good weekend

Angela Clay, Headteacher

Last week a team of 6 players competed in a High Five contest at Penwith College. Up against nine other teams from other local schools, set in two pools. In our pool we lost one game, drew one & won two. They then went on to win their play off 2:0. So we came 5th in the competition over all. There were also two skill challenges to do between games which our players all kept having goes at, trying to get the highest scores for the day. Hyelie won a medal for highest score on the ball bounce challenge & Reegan got the highest boys goal shoot score. With the others all getting some of the best scores for the day. The team played with much skill, determination & great team work throughout. Well done Team Pensans!

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.

This years Library Summer Reading Challenge is called 'Mischief Makers'.

Taking part in the challenge is simple – when the summer holidays start, they can sign up for free at any library. There they'll receive their very own map of Beantown. They need to read six library books (or more!) over the holidays to collect special stickers to add to their map. To complete the challenge they will need to collect all the smelly stickers to discover where the treasure is hiding. Dennis the menace and friends will help every step of the way to give clues and show them how to be a Mischief Maker too! The website can be used to keep track of the books read, write book reviews, enter competitions, talk to other readers and more. It's a celebration of the Beano's 80th birthday which makes it the longest running children's comic in Britain.
