CHILDREN ENJOY SPECTACULAR ALICE SHOW

The Children in Key Stage 2 enjoyed an excellent performance of Alice in Wonderland from the M&M Productions team this week.

A quick reminder that the school runs a Breakfast Club between 8am and the start of school. There are lots of activities at the club, including a Thursday Kick Boxing session with the World Famous Julie Kitchen (left). Breakfast Club costs £1.50 (obviously including Breakfast) but it is FREE for families in receipt of Free School Meals. If you don't yet take advantage of this but would like your child to take part please contact the school office to book a place.

EDEN AMPHITHEATRE & PLAYGROUND EXTENSION PROJECTS NEAR COMPLETION

Well done to everyone who dressed up today to support our Superhero day which marks the end of the Superhero week. So far we have raised £138 as a result of contributions from the dress-up day, with proceeds from this afternoon's Cake Sale to be added to this. Well done to everyone for this great effort. All of the money raised will go towards the Race for Life and Macmillan Cancer Charities.

A selection of today's Superheroes including Race for Lifers, Swimmers, more familiar superheroes and even the legendary Apostrophe Man (?)

JAKE STARS ON CELLO

Budding school cellist Jake Beasley gave some classroom concerts this week to showcase the instrument to other pupils. Jake, alongside his teacher Ben Hoadley, demonstrated the tremendous progress he has made since taking up this instrument. Any parents who are interested in their children taking up an instrument should contact the school office.

EDEN AMPHITHEATRE & PLAYGROUND EXTENSION PROJECTS NEAR COMPLETION

The new school amphitheatre which is part of the Eden Project design

makeover for our school field is nearing completion. The seating area has been re-turfed and the final works are being completed on the staging area. We are hoping to have a grand opening during the next half term. You will have also noticed that the plan to extend the Y1 outdoor area which was outlined in the last newsletter is now well underway and will include the new cloakroom areas as part of the design. A big thanks to Alan Pocock for his hard work on this
