

Pensans Post

Autumn term 18/01/2019

Dear Parents and Carers,

This week our attention has been drawn to a couple of safety issues which I'd like to share with you.

You will have received a text from school regarding the impact of building works on the road outside school. Currently there is no pedestrian crossing outside Penwith College, we are communicating with the companies involved to address this issue. The safest way for children to make their way to school is for them to walk to Kath our Lollipop Lady who will see them safely across to the school entrance. If your child walks to school please talk with them about this issue.

You will find a link to the second safety issue below. There has been a report on Cornwall Live regarding children being groomed whilst playing Fortnite. Although this game is rated as unsuitable for children under the age of 12 we are aware that many children play this game. Please follow the link and take the steps that are recommended to keep your child safe.

Have a happy and safe weekend.

You are practicing

Honesty

when you...

- Say what you mean and mean what you say
- Make promises you can keep
- Tell the truth tactfully
- Admit your mistakes
- Refuse to lie, cheat, or steal
- Are true to yourself and do what you know is right

Affirmation

*I am honest. I can be trusted to keep my word.
I have no need to impress others. I accept myself.
I tell the truth, kindly and tactfully.*

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.

Have you taken a career break from an engineering or a technical sector and wish to return? Are you working below your experience in a different sector? Do you have an engineering or technical degree that you aren't using? Do you just wish to transfer sectors but don't have any experience? If so this could be the opportunity for you! We are currently sourcing candidates for the Babcock 'STEM Returners' programme, a 13 week, fully paid and supported return to work programme starting in April 2019 in Plymouth. All candidates will also have the opportunity to obtain a permanent role at the end of the programme. No career break is too long, register to return to STEM today! For more information please visit www.stemreturners.com or email hello@stemreturners.com. More information on the programme is also available here: <https://www.stemreturners.com/2018/12/20/babcock-seeks-stem-returners-join-career-programme-devonport/>

I am very pleased to share with you a review of the last High Five match Pensans played in on Tuesday at MBA. We played one match which was against Sennen School, winning it very convincingly with a 4:1 victory! We only had 5 players in the team who played the whole game in their set positions (normally there are seven players who rotate their positions). All members of the team played with 100% effort, showing great marking, accurate passing, good positioning & excellent communication skills. All in all a brilliant team performance resulting in a win that was well deserved & was a good reflection of all the skills they brought to the game. This is the team's first win this school year & hopefully the first of many future successes. Well done team!
