Next week is **Crohn's & Colitis Awareness Week** and **we are going purple on Friday 7th December**. Please could your child bring in 50p and wear something purple - even an accessory with uniform is fine. Many people are affected by these devastating conditions and we would like to help improve lives today and build a world free from Crohn's and Colitis tomorrow.

Keep up-to-date with all of the exciting things that are going on @pensansschool

On Tuesday our High Five Team played another match in the Penwith Schools Competition. They played against Mousehole who were a highly drilled team. The final score was 6:0 to Mousehole. Some of the skills that our team have been practising during PE lessons are starting to really show through, with perseverance being one of their greatest characteristics. Keep up the good work team, it's already starting to pay off - I'm very proud of you!  
Kelda McNeill - Sports Coach

**Computer and video games** have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.
