Penlee Academy Trust Update

6th May 2016

Dear Parents,

I hope that you will agree that our school has gone from strength to strength over the last twelve months. We are also delighted with the progress our school, alongside Newlyn and Alverton Schools, have made as the Penlee Academy Trust.

At the end of last year, we were all very pleased to have been approached to form the South West Hub for Eos Education and with our subsequent very successful launch and inaugural Open Days in January. Five of our teachers from across the MAT (including Mrs Trow and Mrs Pope from Pensans) have been appointed as Specialist Leaders in Education because of their work with REAL Projects. On Monday last week, Carl Jarvis, who is the Chief Executive of Eos Education and the Executive Headteacher of Hartsholme Academy in Lincolnshire, came to visit us and was extremely complimentary about the progress that has been made in a very short period of time and the work and attitude to learning shown by your children.

I am pleased to be able to tell you that the governors of Mousehole School have taken the decision to consult on a proposal to convert to Academy status and join the Penlee Academy Trust. Mousehole School shares many of our values and will be a great addition to our team. We look forward very much to working with their staff and pupils towards even greater success.

Best wishes,

Angela Clay
Headteacher
