Record Breakers

Why not take part in the UK's biggest reading event for children in libraries, the **Summer Reading Challenge**, run by the charity 'The Reading Agency'. Aimed at children aged four to eleven during the summer holiday and run in very nearly all libraries in the UK, it is completely free.

This year's theme is The Guinness Book of Records! The aim of the challenge is to get children to read six books of any length or type from their library during the summer holidays. It is easy to join in the fun - just go to any UK library and the staff will enroll your child and give them free goodies to get them started! You don't have to keep going to the same library, so if you are on holiday in the UK your child should still be able to keep up with the challenge. Children who complete the challenge will be awarded a certificate and medal and this year Pensans children who complete the challenge will also get a prize from Mrs Crummay!

Is your child's class on track?

Check out our new weekly attendance report. The Summer Half Termly Target is 96.5% and at 94.28% we did not quite reach this last week.

The **Y1/2 Space Exhibition** on Friday 17th July is set to be out of this world! Parents, carers and families of Y1 and Y2 children are invited to come along at 1:30pm to find out what their children have been learning this term. It will be an amazing afternoon and a great opportunity to look at the fantastic work the children have achieved over the last few months.

The **virtue** that we will be focusing on until the end of term is **TRUST**. Trust is believing in someone or something. It is having confidence that the right things will happen without trying to control it or make it happen. Sometimes it's hard to trust when life brings upsetting experiences. Trust is being sure deep down that there is some good in everything that happens. At this time of the year with so many changes happening, our children need support to develop trust that it will all be okay. Please talk to your child about this virtue and praise them when they show trust in others and trust in life.

All library and reading books or money for lost/damaged books need to be handed in on Monday so we can complete their annual MOT and give them a well earned rest. As usual the competition is fierce with each class wanting to be the first to return all books and win the Learning Centre Trophy. In recent years Violet have triumphed as the first to deliver all books and money but who will be victorious this year?

This week our Y6s have been on **camp in London!** They have been extremely busy sight-seeing and even got to watch a show. We have been keeping parents up to date with texts and on Facebook.

School reports and new class information will be given out next week. Enclosed will also be some paperwork which we urgently need returned so that we have updated contact details and permissions. We are having difficulty reaching many parents in the day when their children are ill. Also, many parents are missing out on our email and text updates.

Why not be a Litter Hero next week! A **litter pick** is taking place in Treneere on Monday afternoon. Children (accompanied by parents) are invited to meet at the Col-Coombe centre at 3:30pm - the more the merrier! Refreshments will be available.
