

# Primary PE and Sport Premium

Number of pupils and sport premium grant received	
Total number of pupils on roll (Sept 2016)	
Total number of pupils eligible for £5/pupil grant	
Total amount received (15-16)	£9290.00
New balance	£9284.00

**Background** - The primary school sport premium is £150 million per annum of new government funding jointly provided by the Departments for Education, Health and Culture, Media and Sport. Investment will go direct to individual primary school Head Teachers and is designed to support improvements in the quality and depth of PE and school sport in addition to the new curriculum through to 2020.

**Outcomes** - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer including;

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- The profile of PE and sport being raised across the school as a tool for whole school improvement
- Increased confidence, knowledge and skills of all staff in teaching PE and sport
- Broader experience of a range of sports and activities offered to all pupils
- Increased participation in competitive sport

**Funding** - Individual schools will receive circa £8000-9000 per annum (depending on the number of pupils) which they can use to support these outcomes through various options including; release of staff for CPD, employing specialists to work alongside teachers, cluster work with other schools and partnerships, transport, equipment, hall and pool hire etc.

# Primary PE and Sport Premium

**Accountability & Impact** - Schools are required to keep parents informed and publish plans for deployment of premium funding on their website by April of each academic year. Schools will be expected to track pupils to be able to show what improvements have been made and evidence the impact of the sport premium. From September 2013, Ofsted inspectors will assess and report on how effectively this new funding is being used when making the judgement on the quality of the school's leadership and management.

## **Ofsted Inspection Handbook 2015**

Evaluating the use of the PE premium

“In making this judgement in schools, inspectors will consider: how effectively leaders use the primary PE and sport premium and measure its impact on outcomes for pupils, and how effectively governors hold them to account

## **Penwith PE Network**

Pensans is a member of the Penwith PE Network which comprises of 12 local schools across Penwith, as a school sport partnership. It's managed by Neil Eddy (specialist PE teacher @ Mounts Bay Academy) whose responsibility it is to provide/organise:

- Professional development for staff
- An effective local sports network
- Sports tournaments, festivals and competitions
- Opportunities for gifted and talented pupils
- Leadership opportunities for pupils including training for Sports Leaders
- Funding for PE and outdoor projects

# Primary PE and Sport Premium

## Sporting events and activities for the pupils happening/happened in the academic year 2016/17

Sporting Events	Impact
Swimming Lessons (FS - Y6)	Raises the profile of PE and Sport across the school
Bike ability	Increased knowledge for the pupils
Balance ability	Promotes confidence and develops a life skill
