children and they have
made many positive
comments to our chef
Tom.*

PARENT TEACHER CONSULTATIONS

Despite freezing conditions many of you came and discussed your child's learning and progress with their class teacher. All staff are more than happy to report on your child's learning and progress and we value your input in these discussions

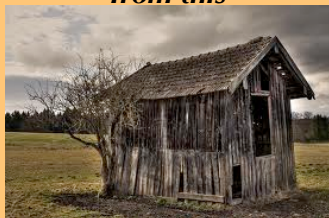

Recent research has shown that by far the most influential person in a child's attitude to learning are their parents or carers. We provide a safe, supportive, exciting education with high expectations for every individual at Pensans

HIGH FIVES... another fantastic match against Penpol which Pensans won 6-0. A special mention goes to Jayden Burrige who stepped in at the last minute and played brilliantly alongside the rest of the team - Freya Proddger, Leah Ball, Maisy Felton, Connor Parker and Lily Quick.

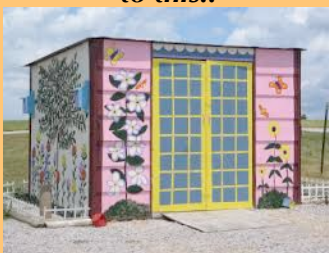

PAINT OUR PLAY SHEDS COMPETITION

*There are 2 sheds on the
playground that need a lick of
paint and an update.*

*The pupil parliament are running
a competition to find winning
designs that will transform them
from this*

to this..

*Children can draw their
designs on paper and
hand them to their pupil
parliament
representative.
