

Pensans Post

Summer term 19/05/2017

Nursery children have been learning about Orangutans and how they live in the wild. They made an Orangutan nest out of leaves and twigs and swung from branches and climbed the trees pretending to be an Orangutans!

You are practising **Forgiveness** when you ...

Being forgiving is giving someone another chance after they have done something wrong. Everyone makes mistakes. Instead of revenge, make amends. Forgive yourself too. Instead of feeling hopeless after a mistake, decide to act differently, and have faith that you can change.

We have had several calls from nearby residents in Heamoor and Penzance this week because of concerns about parents driving too quickly on the school run. There are also complaints about inconsiderate parking. Please could all parents/carers bear these concerns in mind on the school-run. If you would be interested in signing up to use our Pick-up-point service please ask at the school office.

In the hall, Chris Nixon an artist is making a model for this years Mazey Day. With the help of our year 5s and 6s he is making great progress! This is the model we will be parading through the streets on Mazey Day. Our theme this year is under the Sea. Chris is making a gigantic Craken from the film 'Pirates of the Caribbean'. We can't wait to see it finished!

Children in Orange class have been thrilled to watch some hen eggs hatch this week! For clearer pictures and time lapse video of a chick hatching check out the Twitter feed: @MrsNicholls

Watch them grow over the following weeks!

It was 5am, on the morning of May 15th, when the year 6's set off on their exciting adventure. They were going to London!

After a lengthy coach journey, they finally arrived at London. The very first thing they did was climb the 530 steps of St. Paul's cathedral. After their difficult climb, the year 6's deserved a treat! So off they went to the science museum, where they saw the Wonderlab exhibition. Then at 7pm the year 6's set off for the shard. The view from the Shard was amazing.

The next morning, after a quick breakfast, they set off for Buckingham Palace, where they began the Royal walk. The next place the year sixes sighted, was Big Ben before going on a cruise across the River Thames. When they reached dry land once more, they split into two groups to explore The Tower Of London. They saw all sorts of stunning things including The Crown Jewels, The Torture Chamber and the Bloody Tower. They popped back to the hostel to smarten up and have a bite to eat so they were ready to go and see the Lion King in all its wonder.

On Wednesday, the day they were leaving, the year sixes woke early to pack for their long coach journey to Thorpe Park. When they arrived, they went on three water rides and several roller coasters, including Collosus and The Swarm. Unfortunately, they were unable to go on the ghost train, as they were all under 13. After a McDonalds and a further five hours on the coach, they arrived home, safe and sound!

At the Lyceum Theatre we were approached by an American couple who said how impressed they were by the children and how well behaved they were! They also said that watching the awe and wonder of their faces was a joy to see - almost as good as the Lion King itself!
