Five KS2 pupils had a very successful day racing the Pensans hand-built electric racing car at Newquay airport this week. They were taking part in the annual Inspiring Engineers Technology **Goblin racing event** which took place after months of pupils working together to get their existing kit car race fit. As well as bringing home a trophy for coming third place out of 60 schools in the slalom event, they also had great results in the drag race heats with five first places and one second place. Sports Coach, Geoff Letchford, said: "I am so proud of the five boys that took part in the race on Wednesday. In the eight years that we have attended this is our best ever result."

For more info and photos please check our website.

Every two weeks we are focusing on a different **virtue** in assemblies and day to day in the classroom. Our current virtue is '**CARING**'. This can be shown in many ways; caring to listen, caring about friends, caring about wildlife, caring for the environment, the classroom, how we look etc. We would really appreciate it if you could praise your child if you notice them caring in any way - please also let us know in their school planner.

### Parent briefing about Special

#### Educational Needs changes

This year there have been changes made by the government on the systems that are in place for children with SEN. If you would like to find out more, please feel to book a place at one of our planned parent briefings and enjoy a cup of tea at the same time! We look forward to seeing you.

Tuesday 7<sup>th</sup> July at 2:30 in EYFS for Nursery and Reception

Friday 10<sup>th</sup> July at 2:30 in Tangerine Room for Key Stage 1 and 2.

To book a place simply call in to let the office team know you are planning to attend.

More news overleaf...

If you missed out on buying a **Pensans Lion King DVD** at the school fair it's not too late! Simply ask at the office to be popped on the waiting list! We will need up-front payments of £6.50 to reserve your copy please.

We have had reports about cases of Hand Foot and Mouth disease in Penzance. Typical symptoms include: cold-like symptoms including a cough and high temperature; a non-itchy red rash (usually on the feet and hands but may also occur elsewhere); painful mouth ulcers. If your child is diagnosed as having this disease we would ask that they are kept away from school while they are feeling unwell - there is no need to wait until the last blister has gone. For more information check: [www.nhs.uk](http://www.nhs.uk).

The **RNLI** visited our reception classes last week. Children had great fun dressing up as life-guards and lifeboat crew. They also watched a video of rescues. Butterflies 1 visited the lifeboat station yesterday and Butterflies 2 are going next week. We have opened our new lifeboat role play area too and children are loving rescuing Mrs Talbot everyday!

**Mazey Day** is nearly here and letters with more information and an reply slip have been sent home already. Our amazing robot image will be joining us in the procession at 3pm. Please let us know by Monday 22<sup>nd</sup> June if you and your child can join us.
