## Sapling tree planting event

Saturday 25th March - 10am-12pm

Letters have been sent home about our next community project which is planting sapling trees. Thanks to Mrs Talbot we have received a grant for 400 sapling trees which we would like to plant in our beautiful school grounds.

There will be creative woodland activities for children in Tangerine and we will be using our new fire pit to make bread and roast marshmallows.

This is a community project so children will attend with their parents / carers. We would absolutely love your support with this event, we would like to invite everyones families and friends to come along and take part in this fun day.

If anyone is keen to come along on the day please can you reply with the reply slip or let the office know so we have an idea of numbers for refreshments and tools.

## Cross country corner

Amelie, Chloe, Logan, Vianna, Bethany, Niamh, Faith, Hyelie, Adam, Sophie, Tommi and Rosco all ran at the Cape Cornwall Cross Country event on Monday 6th March in some seriously windy conditions. They all performed incredibly well with four children placing in the top 20 of their age group.

Hyelie and Adam have performed at a high standard for all four events and have successfully secured themselves a place at next week's primary county cross-country race. We wish them every success and look forward to hearing the results. Thanks once again to Mrs Lewis and Mrs McNeill for taking the children to the event.
