

Pensans Post

Autumn term 07/12/2018

Dear Parents and Carers,

Please have a look at our Christmas Window Display in the Old Lighthouse Gallery. The children worked with Zanna Pill and Jakki Williams to create a beautiful display for the town and you can vote for Pensans to help us win £250 for resources for our school.

Staff working with your children to develop their sporting skills are having a fantastic impact on their confidence and teamwork. Children have taken part in indoor athletics at Mounts Bay and our football team won another match this week: 4:1 against Trythall School on home ground - Trythall have asked for a rematch in the New Year!

Your children will be sharing their beautiful project outcomes with you before the end of term; their enthusiasm and pride is cause for celebration and we look forward to seeing you at the events.

Thank you to parents and carers of children in EYFS for your flexibility and patience whilst repair works are being carried out.

Have a good weekend!

Angela Clay

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.
