

# Pensans Post

Spring term 24/02/2017

Welcome back after half-term. I hope you all enjoyed the lovely weather. Thank you for attending the Learning Consultations and sharing your ideas and opinions with us so that we can move forward together. The next Virtue that we are practising is Honesty. Honesty and openness are key to learning- we encourage the children to critique their work honestly with kindness so that they can contribute to each other's understanding. By having an honest and open dialogue we can build trust and work together to give your child the skills that they need to fulfil their potential.

Please talk to your child about Honesty, where and why you demonstrate it at home and also how much courage it can sometimes take to be honest.

Have a great weekend,  
Ms Angela Clay

You are practising **Honesty** when you ...

- Say what you mean and mean what you say
- Make promises you can keep
- Tell the truth tactfully
- Admit your mistakes
- Refuse to lie, cheat, or steal
- Are true to yourself and do what you know is right

Affirmation

I am honest. I can be trusted to keep my word. I have no need to impress others. I accept myself. I feel the truth, kindly and tactfully.
