

Pensans CP School: Pupil Premium Strategy Statement 2017 - 2018

Principles

We ensure that teaching and learning opportunities meet the needs of all of the pupils

We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed

In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged

We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged

Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time

CONTEXTUAL STATEMENT

Based on the 2015 Index of Multiple Deprivation (IMD):

**82% of pupils on roll in the school live in the most deprived 0-30% of LSOAs in England
(46% live in the 0-10% category).**

Pensans Primary School is receiving the 3rd highest amount of deprivation funding in Cornwall this academic year and of those 3 schools it has the highest percentage (50.2%) of children entitled to the PPG.

1. Summary Information

School	Pensans CP School				
Academic Year	2017/2018	Total PP Budget	£195,360	Date of most recent PP internal review	19th July 2017
Total number of pupils (exc. nur.)	290 (295 census)	Number of pupils eligible for PP	154 (148 census)	Date for next internal review of this strategy	20th July 2018

2. Current Attainment (at end of Key Sage 2)					
	Pupils eligible for PP - school	Pupils not eligible for PP - school	Pupils eligible for PP - national	All Pupils - school	All Pupils - national
% achieving expected level or above in reading, writing & maths (exp + progress across KS 2)	32% (36%)	63% (31%)	%	41% (34%)	61%

% achieving expected level or above in SPAG	52%	81%	%	63%	77%

3. Barriers to future attainment (for pupils eligible for PP including high ability)

In-school barriers (issues to be addressed in school)

A	Oral language skills & language development in Early Years are lower for pupils eligible for PP than for other pupils. This slows reading/writing progress in subsequent years.
B	At the end of Key Stage 2, higher attaining pupils do not make as much progress as their lower attaining peers.
C	Emotional and social issues for a significant proportion of pupils (mostly eligible for PP) are having detrimental effects on their academic progress.
D	School attainment at the end of KS2 indicates a gap between PP girls and not PP girls in Key Stage 2 in Maths.
E	Spelling across the whole school.

External barriers (issues which also require action outside school, such as low attendance rates)

F	Some families and pupils (mostly eligible for PP) would benefit greatly from additional support and nurture and thereby improve overall engagement with school. About a third of all pupils have had adverse childhood experiences (ACE) - which has resulted in Social Care/Early Help involvement to some degree.
G	Low attendance is an issue for some of the more vulnerable families.

4. Outcomes

	Desired Outcomes and how they will be measured	Success criteria
A	Improve oral language skills for pupils eligible for PP in Reception, Key Stage 1.	Pupils eligible for PP in Reception and KS1 classes make rapid progress by the end of the year so that the % of pupils eligible for PP meeting age related expectations equals or exceeds that of non-PP pupils.

B	Higher rates of progress for higher attaining Pupil Premium pupils by the end of Year 6.	More able pupils eligible for Pupil Premium will make expected or above progress across KS 2 (24 points).
C	Emotional issues of pupils attending THRIVE sessions addressed.	Fewer crisis or anxiety fuelled incidents recorded for these pupils on the school system. Increased percentages of strands on individual Thrive Action Plans.
D	Higher rates of progress and attainment in KS 2 Maths for PP girls.	Pupil/staff/parents conferencing will indicate that PP girls are more engaged and enthusiastic about their learning. Pupil progress meetings will identify improvements in performance of PP girls. Rigorous scrutiny of half-termly tests and progress to be monitored to ensure that PP girls are receiving the right intervention to accelerate progress.
E	The attainment of spelling will be raised and there will be consistent use of correct spelling in writing to achieve greater depth.	More children will be able to spell high-frequency and common exception words accurately which will be highlighted in half-termly moderation.
F	Pupil premium children will come into school more calmly and with less anxiety as the school is working more effectively with these families as a unit.	Incidents of pupils arriving in school in an anxious state decreases. Conversations in Thrive sessions and pupil conferencing will reveal less anxiety around out of school situations as coping strategies are applied.
G	Children entitled to Pupil Premium will improve their attendance in line with their peers.	Attendance rates will be above 95% for the vast majority of pupils.

5. Planned expenditure

Academic Year 2017/2018

The three headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.

i. Quality of teaching for all

Emotional issues of pupils attending THRIVE sessions addressed. Pupil premium children will come into school more calmly and with less anxiety as the school is working more effectively with these families as a unit.	Enhance Thrive Approach across the school.	<i>Fewer crisis or anxiety fuelled incidents recorded for these pupils on the school system. Increased percentages of stands on individual Thrive Action Plans.</i> <i>Incidents of pupils arriving in school in an anxious state decreases. Conversations in Thrive sessions and pupil conferencing will reveal less anxiety around out of school situations as coping strategies are applied.</i> 3 members of staff now are timetabled to meet with Thrive children. We have a Thrive room for activities to take place and a Thrive dog who comes into school to support the more vulnerable children. 3 more members of staff have completed the Thrive training. Weekly supervision meetings with Thrive practitioners enable them to share any issues and successes and keep up to date with the Thrive Action Plans. 63+ children now receiving some form of Thrive intervention. Thrive class boxes have been set up and practitioners have shared actions with class teachers to support in children learning. Circle of Friends groups set up to support children in year 6. Thrive practitioners have supported in Transition to secondary schools. The appointment of a Safeguarding officer has ensured that our approach to welfare is triangulated by implementing actions and liaising with outside agencies and key staff.	Require a larger area for Thrive to take place. Whole classes to be Thrive assessed at the beginning of the year and again at the end to see impact. More rigorous review of class action plans.	£28,000 staffing £4,000 resources £5,000 training

<p>Emotional issues of pupils attending THRIVE sessions addressed.</p> <p>Pupil premium children will come into school more calmly and with less anxiety as the school is working more effectively with these families as a unit.</p>	<p>Engage parents in Thrive work and in early aspects of reading/writing.</p>	<p><i>Fewer crisis or anxiety fuelled incidents recorded for these pupils on the school system.
