

EYFS Toileting and Intimate Care Policy (Including Nappy Changing)

This is an Early Years Foundation Stage (EYFS) policy only.

All children at Pensans EYFS have the right to be safe and be treated with dignity, respect and privacy at all times.

This policy sets out clear principles and guidelines on supporting intimate care with specific reference to toileting. It should be considered in line with our Safeguarding Policy, Health and Safety Policies and Administering of Medicines policy.

This policy supports the safeguarding and welfare requirements of Early Years Foundation Stage (EYFS) 2014 and the Disability Discrimination Act 2005.

Pensans EYFS will ensure that:

- No child's physical, mental or sensory impairment will have an adverse effect on their ability to take part in day to day activities.
- No child with a named condition that affects personal development will be discriminated against
- No child who is delayed in achieving continence will be refused admission
- Adjustments will be made for any child who has delayed incontinence

Intimate Care Tasks – cover any tasks that involve the dressing and undressing, washing including intimate parts, helping someone use the toilet, changing nappies or carrying out a procedure that requires direct or indirect contact to an intimate personal area.

Partnership with Parents/Carers – Staff at Pensans EYFS work in partnership with parents/carers to provide care appropriate to the needs of the individual child.

Parents/Carers are asked to supply the following :-

- Spare nappies
- Spare Clothes
- Spare underwear

Best Practice – When intimate care is given, the member of staff explains fully each task that is carried out and the reason for it. For Staff to encourage children to do as much for themselves as they can, lots of praise and encouragement will be given to the child when they achieve.

All staff working in early years setting must have a DBS check. Particular staff members are identified to change a child with known needs and that they plan and record their work with that child.

Safeguarding – Staff are fully trained and training is renewed annually in order to ensure the children of Pensans EYFS are protected and safe. Staff will follow guidance given should they have any concerns.

If a member of staff is concerned about any physical or emotional changes , such as marks, bruises, soreness, distress etc they will inform the Safeguarding Designated Officer immediately. The Safeguarding Policy will then be implemented.

Should a child become unhappy about being cared for by a particular member of staff, the EYFS leader will look into the situation and record any findings. These will be discussed with the child's parents/carers in order to resolve the problem. If necessary the EYFS leader will seek advice from other agencies. (Please remember that you need parental permission to talk to any agency about a specifically named child.)

If a child makes an allegation against a member of staff, the procedure set out in the Safeguarding Policy will be followed.

Nappy Changing –

No child is excluded from participating in Pensans EYFS who may, for any reason, not yet be toilet trained and who may still be wearing nappies or equivalent. We work with parents towards toilet training, unless there are medical or other developmental reasons why this may not be appropriate at the time.

We see toilet training as a self-care skill that children have the opportunity to learn with the full support and non-judgemental concern of adults. All children are treated with dignity, care and compassion during nappy changing/toileting. Staff will ensure this time is relaxed; they do not make negative comments about nappy/potty/toilet contents. At Pensans EYFS we aim to provide the opportunity for all children to use the toilet independently and to provide assistance for children who require it. Where children are in pull-ups, we will remind them at frequent intervals to use the toilet. If a child is in nappies, these will be changed as necessary.
