Summer term 09/06/2017

Dear Parents and Carers,

Welcome back to the last half of the Summer Term - It will be packed with activities so please keep checking the dates section of the newsletter and the school website so that you can join us in celebrating your child's achievements in all areas of school life.

On 1st June Penlee Academy Trust joined Truro and Penwith Academy Trust (TPAT). We will be working with a wider range of schools across Penwith to improve children's learning whilst maintaining links with our existing partners. If you have any questions please do come and talk to us.

Thank you to all of the parents and staff who have worked so hard to make the school an exciting and fun place for the children to learn. We are delighted that so many parents are coming to our Parent Group TLC - Talking, Listening and a Cuppa. This is facilitated by Mrs Manta and is a valuable opportunity for you to use the school and network with other parents.

This term children and staff will be meeting in different settings. Teachers will visit the children in their existing classes and teach alongside their current teachers before taking part in learning activities in the classes that they will form in September. This is an extended transition to ensure that the staff have a good understanding of your child's needs and interests so that they can get off to a flying start in September.

Children in Years 1, 3 and 5 will remain in their current class and children in Reception and Years 2 and 4 will be moving into their new class in September.

From September we will be welcoming Richard Scott who is an experienced teacher with a passion for Maths and PE. He will be teaching in Magenta Class and the children will have the opportunity to work with him this term.

I look forward to seeing you on Mazey Day where you will see our new school banner created by our very own Voirrey Palmer with support from Jeremy Poolman and Madame Kitto. They have put a lot of hard work and creativity into this - you won't miss us!

Have a lovely weekend!

Ms Clay

Please remember to send in your raffle tickets which were sent home this week to win one of these fantastic teddies. Jemima Puddleduck, Jeremy Fisher and Peter Rabbit have all been lovingly knitted and donated to the school by Kath Swanson. All the money raised will go towards our Pensans wildlife learning project. Thank you for your support.

We attended a Maths Treasure Island Challenge at Ludgvan School last week and competed against 11 other schools. The first task was decoding and we also had to complete lots of maths puzzles all around a pirates theme. When the results were announced and we came third we felt really proud!
