

Pensans Post

Summer term 25/07/2019

Dear Parents and Carers,

A huge well done to our EYFS staff, children and parents who raised an incredible £1,130 from a sponsored walk. The children and staff are pictured opposite at the cheque presentation.

Thank you for supporting Pensans this year. We are proud of your children and all that they have achieved.

Every year it's difficult to say goodbye to our Year 6 children; some of whom have been with us since Nursery and some who have arrived very recently and those in between! We value all of the children and celebrate the virtues that they have grown and the learning they have mastered along the way. We also say goodbye to some parents who have been part of the school for such a long time - we will miss you too!

Have a safe and peaceful summer - 'Good Luck' to those of you moving on!

Angela Clay

If you haven't already, please ensure that any outstanding items are paid before the new term commences.

This term, money owed from payment items older than one year has been moved into a new payment item called 'Overdue payments' so that ParentPay accounts are more streamlined. Please can all parents and carers check their ParentPay accounts and ensure that all outstanding amounts are settled. If you go into Transaction History - Payment History - and look in the notes column, it will detail what that charge is for.

All meals, swimming sessions and breakfast / PARC clubs need to be paid for in advance for next term. As you are aware, Pensans is a "No Debt" school to avoid debts accumulating and the impact this has on families and the school. Please contact the office staff or headteacher if you have any queries.

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.

The Reading Agency and Libraries Present

Summer Reading Challenge 2019

Summer Reading Challenge - This years theme is Space and as usual all the children have to do is visit any library and read 6 books throughout the summer collecting stickers and incentives along the way. <https://summerreadingchallenge.org.uk/>

The National Literacy Trust suggest that, parents can help back up the learning acquired over the year and support language and literacy skills through the summer. It's really important to keep reading with children over the holidays; research has shown that children who read outside the classroom every day are five times more likely to read above the expected level for their age compared to children who never read outside class. Reading will prevent "summer slide" - where a child might forget what they've learned at school in the many weeks off over the holidays.

WALK THE PENZANCE TOWN TRAIL FOR FREE!

Uncover the story of Penzance by walking its official trail, taking in the towns history and some of its most interesting landmarks.

Distance: Approximately 2km or 1.3 miles.

Duration: Allow at least two hours.

As you walk around Penzance, you may notice small slate markers engraved with numbers on streets and buildings.

Taken in turn, these form a whistle-stop tour of the town's heritage (not to mention its top beauty spots.)
