

Pensans Post

Summer term 14/07/2017

You are practicing

Joyfulness

when you...

- Look inside for happiness
- Enjoy whatever you are doing
- Feel good about doing what is right
- Find creative ways to enjoy your time
- Have a good sense of humor
- Feel an inner peace even when things are tough

Affirmation

I am thankful for the joy I feel inside.

I enjoy my work and my play.

I appreciate the gifts this day holds for me.

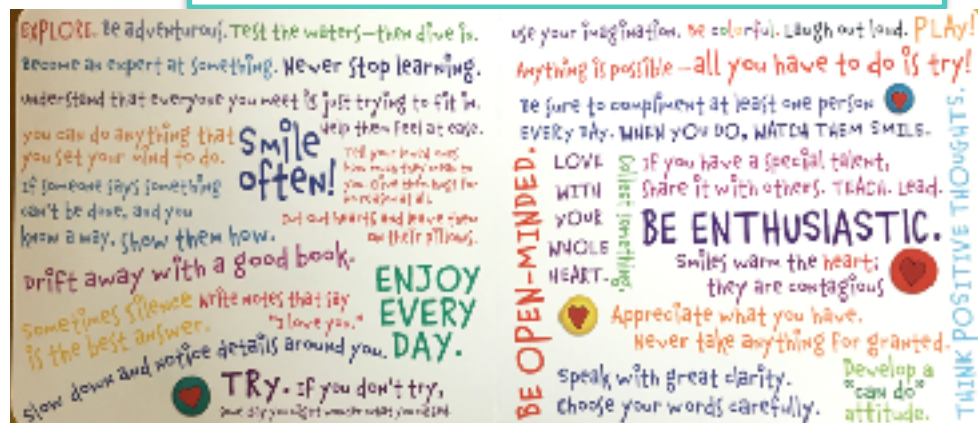

Dear Parents and Carers,

For the next week and until the end of term we will be learning about and practising the Virtue of Joyfulness. The image for this Virtue is always on display in our Reception because it is at the heart of our school's ethos. We want your children to learn and grow in an atmosphere of joyfulness. In our assemblies next week we will be sharing the story 'Only One You' by Linda Kranz. This story of a little fish being given advice on how to live his life out in the sea is one that we feel is valuable for all of our children and particularly our Year 6 children who will be leaving us at the end of term. Inspired by this we have asked every child to bring in a washed and dried pebble to paint as a fish to represent them and their place in the school. The pebble will be cemented onto an area of the playground.

Below is a copy of some of the advice that is given in the book

Have a lovely weekend.

Ms Angela Clay - Headteacher

As part of our last day of Summer Term activities on Wednesday 26th July, the children will be painting their hand to make a large virtues tree mural in the playground and painting pebbles in the style of fish to form a pathway, as part of our virtues curriculum. Please can you provide your child with an old shirt to paint in and also a washed and dried pebble the size of a fist. We shall be using acrylic paints and exterior water based paint, so please can you inform your child's class teacher if they are allergic to paint so we can provide them with a rubber glove.

All library books should have been returned by now, reading books should be in by the end of this week. If lost, children need to look in class book corners, around the school and at home etc, and if not found they will need to make a £5 donation per book. If children think they have returned it already please ask them to come to the library and find the book on the shelf then give it to Mrs Crummay to return via Frank the Zapper!

Please remember the Penzance Library Summer Reading Challenge which is based on detective animals called "Animal Agents - read the books catch the crooks". As in all previous years If any child completes the challenge of reading 6 books we will also give a prize of a book via a book bank voucher. Last years was a great success with more children than ever before taking the challenge.

Nursery appeal

Do you have any age 2/3 good quality clothes and toys you could donate? Also any U-rated DVDs? Any of the above would be gratefully received!

Computer and video games have a Pan-European Game Information (PEGI) rating printed on the front of the case. If your child is at Pensans, any game they play or watch should have a green PEGI. Please be aware that playing games out of their age range is a child protection issue and be aware of what they are playing. Even if your child is only watching an older family member playing a game with a 12, 16 or 18 rating, they still are being exposed to unsuitable material.
