

# Pensans Learning Project - Autumn 2

## Phase 1 - Years 1, 2 and 3

This half term we would love you to think more about Autumn. We want you to show your learning in any way you want- it could be a poster, video, leaflet, or any other form of presentation. Below are some activities to complete over this half term. Please upload your learning to Seesaw or email it to your teachers once completed. We would love to see them by 27th November.

### Let's Be Scientists...

Watch the link below:

<https://www.youtube.com/watch?v=VYpGBtR8Lbs>

Create a weekly weather diary. Think about how the weather changes between Autumn and Winter. Why do these changes happen?

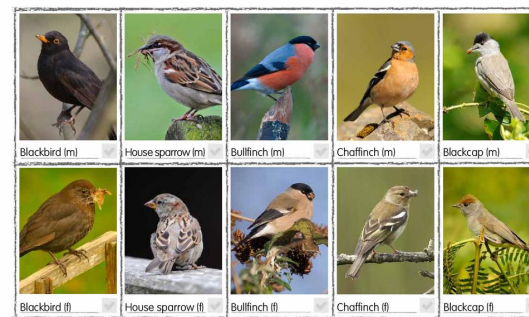

My Weather Diary

Day	Today the weather is
Day 1	
Day 2	
Day 3	
Day 4	
Day 5	
Day 6	
Day 7	

### Let's Be Researchers...

Find out about 5 different types of British birds and see if you can spot them around your local area.

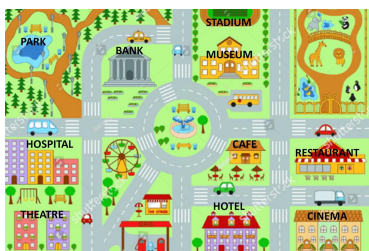

#### Male and female birds

Credits: Blackbird male to Neil Aldridge / Blackbird female to Steve Waterhouse / House sparrow male to Margaret Hildford / House sparrow female to Amy Lewis / Bullfinch male to Bob Cray / Bullfinch female to David Longshaw / Chaffinch male to Amy Lewis / Chaffinch female to David Longshaw / Blackcap male to Amy Lewis / Blackcap female to Steve Waterhouse

### Let's Be Active...

Go on an Autumnal walk and create a map of the route you take  
- You could make a journey stick or a paper map it's up to you!

### Let's Be Creative...

Watch the link below:  
<https://www.bbc.co.uk/bitesize/clips/zmwmprv4>  
Create a Rangoli pattern in the medium of your choice.

### Let's Get Out in Nature...

Can you make an Autumnal den using natural materials such as; sticks and leaves. This can be an animal den for a squirrel or a den for yourselves.
