

Parental Controls Guide

Features and Benefits

Google Play restrictions allow you to set the maturity level of apps and set a PIN code for purchases.

What specific content can I restrict?

Apps Access

In-App Purchasing

Online Games

What do I need?

A Google Play account (Email address and Password)

Step-By-Step

- 1 Open the Google Play app on your device and sign in using your Email address and Password. Once signed in, press the 'Option' button (located on your phone below the screen) and then select 'Settings'.

- 2 Scroll down to the **'USER CONTROLS'** section and select **'Content filtering'**.

- 3 Here you can choose how to filter the apps available to download. Select your options and press **'OK'**.

- 4 Next select **'Set or change PIN'** and follow the instructions. This will allow you to restrict purchases of apps.

5 Go back to the menu and make sure the 'Use PIN for purchases' option is checked.
